

**Debriefing Guide for Interviews, Focus Groups or Observations**

**\*\*TO BE COMPLETED BY INTERVIEWER(S) AFTER INTERVIEW IS FINISHED\*\***

**Date:**

**Interviewee(s):**

**Interviewer(s):**

**1. What were the main themes or issues that struck you?**

**2. How was the information shared during this interview related to what you've been hearing or learning from other interviews/sources?**

a. In other words, how is the information connected to/ how does it build upon what we have learned from other interviews?

b. Please specify the other interviews/sources (if helpful):

**In what ways, if any, does the information shared during this interview contradict (or not seem entirely consistent with) what you've been hearing or learning from other interviews/sources?**

c. Please specify the other documents/sources:

**3. What else seems important or interesting to capture?** (The direct relevance of such information may not become obvious until more data has been collected and/or more processing completed.)

**4. What additional questions emerged from this interview that you feel will be important to explore?**
